ABOUT MAURITIUS

The island of Mauritius is situated 3,000 km to the east of the African continent.
The diversity of its landscape extends over an area of 1,865 km².
Its superb coastline, 160 km long, its multicoloured coral reef and its picturesque mountains make it the jewel of the Indian Ocean.
With average temperatures of 22°C in winter and 31°C in summer in the coastal regions, the island is an ideal year-round destination.
The "rainbow" population consists of approximately 1.3 million inhabitants of various ethnic origins, from India, China, Africa and Europe.
