Welcome to Salgados Golf Course, located next to Salgados beach, with a long sandy beach on one side and a protected area that is home to various species of birds on the other. This is a links-style course with sea breezes and abundant wildlife. Thanks to its location, the walk on Salgados Golf Course is very easy and pleasant, with the greens and tees very close to each other. The yellow tees will ensure you enjoy a pleasurable round. If you are feeling confident, you could try the white tees, although these are perhaps more advisable for golfers with a single-digit handicap or professionals.
